

**Family God Time:  
Faith in Action**

Who do you love? Who loves you? Who needs some more love? How can you express God's love to others? As you talk about these questions with your family, use a snake of pray doh, pipe cleaners, or squares of paper or tissue paper and glue to fill up your heart. When you are done discussing, place your hands on your hearts and ask God to be with those you love, who love you, and who need more love. Amen!

love one another

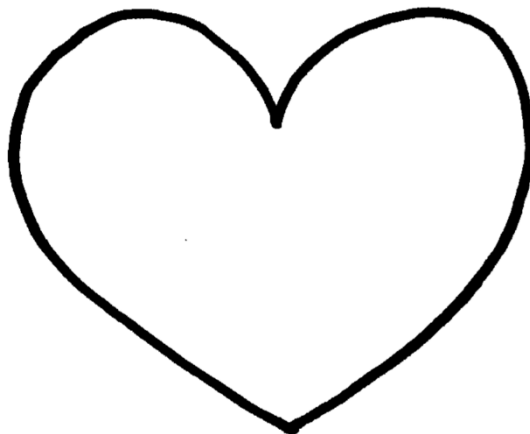

Just as I have  
loved you. ~John  
13:34
